relay

FOR DISPATCHERS & ECC STAFF

Your people.
On your wavelength.

Built by a full-time dispatcher. Always free to use.

FOR THE PEOPLE WHO ANSWER THE CALL

Relay brings dispatchers, call takers, telecommunicators, CTOs and their supervisors together to share experiences and find a little connection between shifts.

Find your community

Share everyday wins, ask questions and join agency or shared-interest groups.

Company on shift

Clock in when you choose. Chat with others working the same hours.

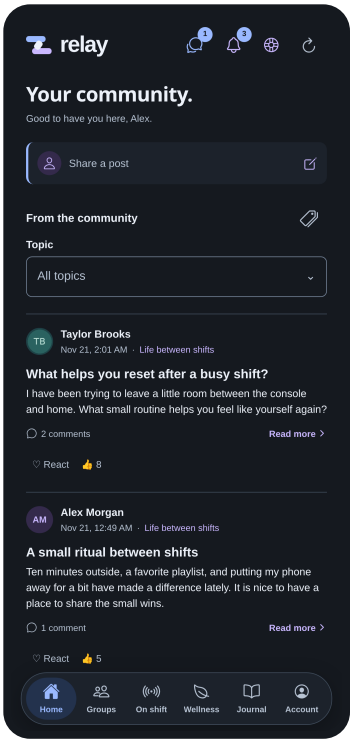
Keep in touch

Meet people through profiles and friend requests, then message your friends.

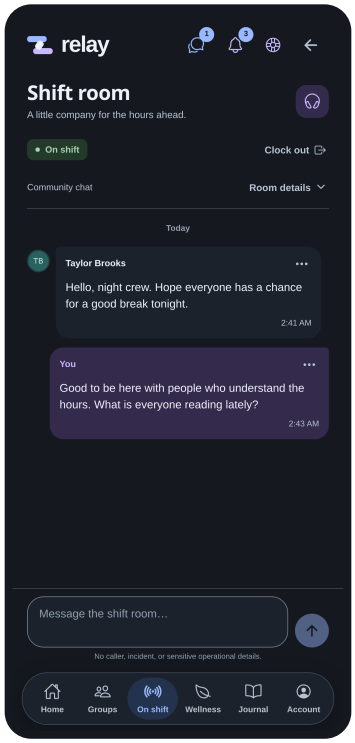
Make room for yourself

Try breathing or grounding, or reflect in your account-private journal.

Does not replace clinical care or emergency response. Follow agency policy; never share caller or sensitive incident information.



Community



On shift

Example screens · Sample content

Your choice. Your community.

Join with Apple and an eligible work email. Work email is re-verified every six months. Clocking in is voluntary; no location tracking. Reporting and moderation help keep conversations respectful.
